THE MUGWUMPS CHANGE OF TUNE.

New York Recorder.—A year ago *The Boston Herald* was insisting that reducing the Tariff could have no effect on the prosperity of manufactures. Now it reports that "Tariff agitation and the possibility of reduced duties on wool would upset the woolen goods market to the extent that manufacturers are at a loss as to what they shall do." The possibilities of free wool also make it imperative that dealers shall buy the new clip at figures that will admit of its being sold on the basis of free wool."

For the 4th of July.

At dinner the Commons were entertained by the Old Settlers' Union. The Sunday-schools are invited. Good speeches, grand singing. The Knights of St. John Juvenile Band, the band of the African boys, will furnish their part of the entertainment. Let everyone come and bring some old men with them, and don't forget to bring something good to eat with you; anything from a pie to a pig. A good time is expected.

Caught at Last.

Chief of Police Fitzgerald received a telegram yesterday from Chief Detich of Cincinnati informing him that Bob Warner, condemned, had been captured and awaited his disposal.

Warner escaped from the Maysville Jail at the time of the wholesale delivery several months ago. He was incarcerated for breaking into a freight depot.

He had been to Cincinnati before but eluded the officers.

Captain Fitzgerald went to Cincinnati last night and will return with the prisoner this morning.

HIS THROAT CUT.

An Unknown Man Attempts Felonious Act Last Night.

His throat cut.

Like a poor man's lease—from ear to ear. At an early hour this morning a man was bound on the farm of S. F. Fristoe, just below the city, lying in a pool of coagulated blood and with a horrible gash across his throat.

He was not dead, however, though very weak from loss of blood; and in answer to questions from Mr. Fristoe said he was from Newport, but did not reveal his name.

The dreadful act was committed sometime during the night.

Mr. Fristoe came at once to the city and notified the county authorities who will take charge of the unfortunate.

The Business Way!

The business way
to advertise is to
take space with your
advertisements in making
them attractive, and change
them at least as often as
once a month.

You may think there
are seasons when you don't need
to advertise.

We have never seen that
time.

Use the dull seasons for
looking over your stock and
running off that which is
becoming out of style or un-
fashionable, and giving bar-
gains.

If you have space by the
year, it costs you no more,
and you can make it profit-
able by converting unsaleable
goods into money, and rein-
vesting the money in those
things which are salable.

GROVER goes fishing while the
country is going to the devil.

THE TWENTY-FIVE thousand men who
have just been thrown out of employ-
ment at the silver mines and smelting
works in Colorado wanted a change in
the Administration. They got it and
are now enjoying the benefits.

WITH an American silver \$ worth just
54 cents and wheat at 50 cents a bushel,
the country is enjoying the first fruits
of this Democratic Administration. But
the people wanted a change. They have
certainly got what they voted for.

WITH wheat at 50 cents a bushel it
seems a little paradoxical that it still
requires a silver dollar to buy a bushel
of it. But the silver dollar, under this
glorious Democratic Administration, is
worth only 50 cents! Hurrah for the
prosperous times that the Democrats
promised the farmers and workingmen!

THE LEDGER has heard of a number
of Mason county farmers who intend to
feed their wheat crop to the hogs, for
the reason that they cannot afford to
harvest it at the present price—50 cents a
bushel. This is the lowest figure ever
reached in this country. Well, gentlemen,
"we told you so!" But you
"wanted a change"—and you have got
it just where the chicken got the ax.

THE recent Democratic slump in Mil-
waukee is an unmistakable sign of pre-
sent direction of the political tide. Three
years ago the Democrats carried that
city by 6,000 majority. Last year they
roared up 3,000 majority. Republicans
now carry the city by over 3,000 major-
ity, a change of 6,000 in about half a
year. This difference alone would give
the state of Wisconsin back to the Re-
publicans. Democratic object lessons
multiplied.
